

Academic Programs and Supports: **SUCCEED**

Structure

What is the overall course structure?

- Succeed is a 2-year, 4-semester program that is housed at the University of Missouri - St. Louis (UMSL). The Succeed program is four academic semesters.
- Succeed students take 12-15 credit hours per semester consisting of a combination of certificate courses and electives related to their academic goals.

Courses

What types of courses are required of Succeed students?

- Succeed students take certificate courses in areas focused on:
 - Healthy Relationships
 - Vocational Exploration and Preparation
 - Self and Civic Responsibilities
 - Social Networking and Advocacy
- Students are enrolled in a vocational course every semester. Students also participate in a vocational lab in which they receive small group support and instruction to work towards their individualized work goals.

What other courses from the university catalog can Succeed students take?

- Succeed students have access to the entire UMSL course catalog.
- There are opportunities for students to enroll in modified credit courses to meet their academic goals.
- Modified courses allow students to take a modified version of the course for 1 credit, providing more flexibility in how they participate in the course.
